Tina Allen | Liddle Kidz™ Founder | Pediatric Massage Master Teacher

She is a Pediatric Massage Master Teacher, Developmental Baby Massage Teacher, a Licensed Massage Therapist with specialized training in providing massage therapy for infants and children with special healthcare needs. Ms. Allen understands the varied physical and emotional needs of hospitalized and medically complex infants, children and their families.

Ms. Allen has also received recognition as First 5 California's Champion for Children and was honored with the Richard Ryder Award for her dedicated and passionate service. She is a 2009 Massage Therapy Hall of Fame Inductee and 2011 International Massage Therapist of the Year, and was awarded 2012 Massage Therapy Foundation/Performance Health Humanitarian of the Year.

Ms. Allen managed the nation's first comprehensive pediatric massage program at Children's Hospital Los Angeles (CHLA), where she trained volunteer massage therapists and medical professionals to work with hospitalized Rehabilitation patients, medically complex infants in the Center for Newborn and Infant Critical Care (CNICC), Neonatal Intensive Care Unit (NICU), Children with Retinoblastoma, Spina Bifida and Cerebral Palsy.

She developed pediatric massage programs at Mattel Children's Hospital at UCLA and Cedars-Sinai Medical Center, as well as developed a program focusing on introducing gentle compassionate touch to women and children who have survived domestic abuse

Liddle Kidz™ Pediatric Massage Therapist Certification| CPMT™

The comprehensive Pediatric Massage Training for Massage Therapists and health care professionals provides educational and professional training to those who wish to enhance their skills.

Through this training, participants learn to provide massage therapy for children with special health care needs, who are hospitalized or have been diagnosed with a terminal illness in hospice care.

As a Pediatric Massage Therapist CPMT™, you have the special opportunity to provide specialized care through touch therapy to children who need it most.

Touch Therapy for Autism and special needs

The comprehensive Touch Therapy for Liddle Kidz with Autism (Massage for Children with Autism) Course for massage therapists and healthcare professionals provides educational and professional training to those who wish to enhance their skills.

Through this advanced training, participants learn to provide massage therapy, nurturing touch techniques, touch therapy, tactile introduction, sensory stimulation & integration for children who have been diagnosed on the Autism Spectrum Disorder.
